

## Individual School Photographs – Monday 28 September 2020

On Monday every child will have a named QR code card that they will use for the photographer and this will be brought home as their order form is on the back of the card.

If your child has siblings within school these photographs will be taken during the school day.

Please can we ask that only children with pre-school siblings should use the before school session, which starts at 8.30am. Please note that due to COVID there will not be a chair available for the children to sit on during the sessions.

Below is an example of one of the cards that will be given to the children. Please look out for these on Monday after school as these are your order forms.
